X. **Western Regional Meetings.**

2. The host Local Section shall be selected by a majority vote of the Board at least two years in advance of the meeting. A selection of less than two years in advance may be considered and approved by the Board in special circumstances.

3. Ideally, the WRM should be rotated throughout the Western Region but ultimately the willingness of a Local Section and the viability of the meeting at a given location should be the primary factors considered by the Board.

4. Financial support for the host section(s) is available from the Board’s funds. Prior to disbursement of funds, the Board must have considered and approved a preliminary budget, meeting site, meeting theme (if any), and the proposed leadership structure of the meeting organizers.

5. In the event that the technical meeting is to be held jointly with another technical society, the division of expenses, surplus or losses between the ACS host Local Section(s) and the other societies shall be approved in advance by a majority vote of the Board. The final report shall follow the format set by the Regional Meeting Subcommittee of M&E.

XI. **Finances.**

1. **General.** Financial responsibility for each WRM resides with the Board as representative of the host Local Section(s). Deficits or surpluses incurred by the
WRM organizing committee are incurred on behalf of all Local Sections in the Western Region of the ACS.

2. **Target Balance.** The target range of the Board’s reserve funds shall be $40,000 to $60,000. In the event that a WRM suffers a financial loss, the reserve funds shall be used to partially offset the loss.

3. **Income.** In the event of a surplus for a given WRM, the following schedule shall be used to distribute excess funds:
   a) Any advance loans made by the Board to a host Local Section(s) shall be repaid first.
   b) An amount of 20% of the net difference between income and expenditures accruing to a host Local Section(s) of a WRM shall be paid to the Treasurer of the Board within 6 months from the meeting’s end.
   c) If the Board's balance is below $40,000, then an additional portion of the net difference between income and expenditures shall be used to increase the reserve funds toward the target balance. The additional portion shall be 20% of the first $10,000 surplus and 10% of any surplus above $10,000. In this scenario, a host Local Section's contribution to the reserve fund would never be more than 40% of the surplus with at least 60% of the net difference between income and expenditures returning to that Local Section. The host Local Section shall send this amount to the Board Treasurer within 6 months of the close of the WRM. Upon receipt of this amount by the Treasurer, a copy of the letter of transmittal shall be sent to the Chair.

4. **Expenditures.** The funds collected and held by the Treasurer shall be used for:
   a) **Routine Expenses by the Board.** Routine expenses by the Board officers include but are not limited to those for phone, printing, mailing, duplication, website maintenance and meeting arrangements. Any expense in excess of $500 is subject to approval by the Executive Committee.
   b) **Web site.** Support of a WRM domain name and website to provide links to future and past meeting information.
   c) **Travel.** Board funds can be used to support limited travel of the Chair or proxy. The travel expenses must be directly related to Board business and may include, but are not limited to, the annual ACS Leadership Institute or other gathering of ACS Region Boards. All travel expenses must be approved by a majority vote of the Executive Committee prior to disbursement of funds.
   d) **Meeting Awards.** Support of awards at regional meetings including travel expenses for award recipients. Any expense in excess of $500 is subject to approval by the Executive Committee.
   e) **WRM Deficit.** If a WRM incurs a deficit, the Treasurer of the Board shall, upon authorization by the Board, use the reserve funds to reimburse the organizing committee for one-third of the deficit and the host Local Section(s) shall reimburse the organizing committee for the remainder of the deficit. If there are insufficient funds in the Board reserve fund to cover one-third commitment to the WRM deficit, member Local Sections shall assume amounts of the unfunded deficit that are in proportion to the official national
ACS membership count of each member Local Section including the host Local Section.

f) **Loans.** The host Local Section(s) of an approved future WRM may apply to the Chair of the Board for an advance that can be used as working capital for planning the WRM. The following conditions apply:
   
   I. The advance application must be accompanied by a proposed meeting budget.
   
   II. The maximum advance to the host Local Section(s) shall be no greater than 20% of the Board’s reserve fund (including any other outstanding loans) at the time of the request.
   
   III. The advance shall be returned to the Board as an expense of the WRM within 6 months after the close of the meeting.

   g) **Other.** After expenses, if the balance of the Board’s reserve fund exceeds $60,000, the amount above $60,000 shall be considered excess funds. Any member of the Board or the Executive Committee, or the General Chair of any approved future WRM may submit a written proposal requesting any portion of the excess funds for the purpose of enhancing WRMs or to catalyze activities that will positively impact the success of future regional meetings. The Executive Committee will review proposals in a timely manner and award some, none, or all of the excess funds to any specific request. Funds awarded may be in the form of grants, loans, or conditional loans.

   h) All expenses incurred in support of the WRM must be ordinary, reasonable, and necessary.

5. **Financial Reporting.**
   
   a) **WRM Reporting.** Within nine months of the close of a given WRM, the General Chair of the last WRM meeting shall provide to the Treasurer a copy of the meeting’s final report which shall contain a detailed financial statement of income and expenses.
   
   b) **Board Treasurer Report.** At each annual meeting of the Board, the Treasurer of the Board shall present: (1) a financial report for the past year, (2) a report on the overall financial results for the last WRM, and (3) a report on any interim financial actions by the Executive Committee.

XII. **Termination.** In the event of the discontinuance of the Western Region of the American Chemical Society, any surplus funds held by the Board shall be distributed to the member Local Sections in proportion to the official National ACS membership count. Liabilities shall be presented to the member Local Sections for payment on the same basis.

XIII. **Adoption and Amendment.**

1. These Bylaws shall become effective April 3, 2019 if approved by a two third (2/3) majority vote of the member Local Sections of the Western Region Board. The previous Chair and Secretary shall continue in their roles on the Board until the election of a new Chair and Secretary. The previous Treasurer shall complete his/her term or until he/she resigns and a new Treasurer is elected in accordance with the Bylaws.
2. Amendments to the Bylaws require approval by a two third (2/3) majority vote of the member Local Sections.

3. In any conflict between these Bylaws and the Constitution and By-Laws of the American Chemical Society, the latter shall take precedence.

Voting on revisions by Local Sections occurred from February – March 2019. Approved by a vote of 2/3 of the Local Sections of the Western Region Board and reported to the WRB on April 3, 2019.
